We had a busy month with "The Christmas Store" The new store seemed to be a hit with everyone who came in. We will continue with this next year and hopefully each year it will grow and get better.

We are already bringing in new products for the upcoming season. In stock now we have the 2012 Webers, Napoleons.

New this year is THE KEG from Broil King. This is a charcoal barbecue. You won't believe how great it is. Check out the video on our barbecue page

Also new to Dolphin is the highest quality charcoal for your charcoaling needs.

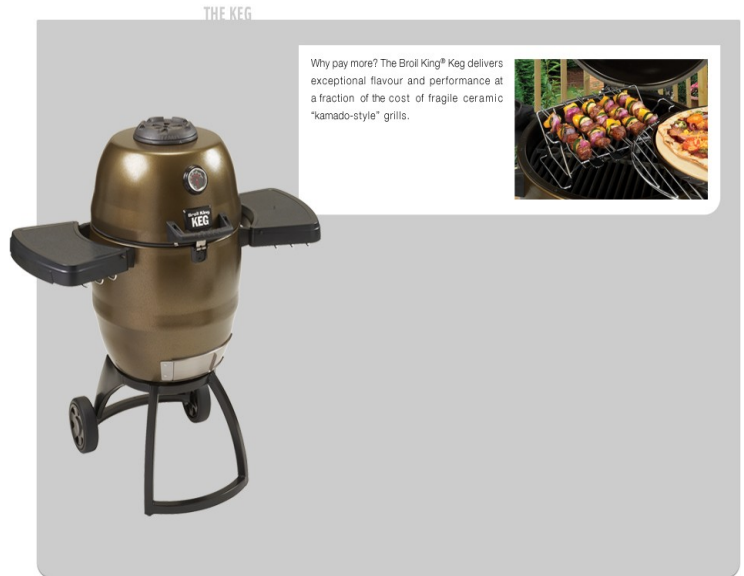

Happy New Year!! The store is open everyday—check our contact page for hours!
